

Structure and Bylaws Guidelines

Statement of Purpose

The Structure and Bylaws Committee (S&B) is to formulate bylaws, guidelines and a structure by which Cocaine Anonymous can operate day-to-day, at Conferences, Regions, Areas and elsewhere around the World. We execute with great diligence, the task of being of maximum service to our fellowship, by introducing new verbiage into a comprehensive, easy to read, World Service Manual (WSM). This manual will be distributed in the first quarter of the year following our conference, allowing our fellowship to grow and flourish.

Functions

At the World Service Conference (WSC) and other times during the year, the Structure and Bylaws Committee is asked to investigate concerns regarding our current World Service Manual and either challenge the request by identifying a current solution or create new verbiage to present to the Conference floor, through which, we accommodate the referral.

When creating new verbiage, careful deliberation is undertaken in finding a solution that considers functionality and longevity.

Timeline

Here is a procedural timeline for what happens at the WSC and throughout the year, prior to the distribution of the updated WSM:

- 1) Referrals are received from the WSO prior to, & at the WSC.
- 2) The S&B chair & vice-chair shall review all referrals & make grouping suggestions for breakdown teams to the S&B Committee for approval.
- 3) The referrals S&B receives will be divided amongst the breakdown teams of S&B. These breakdown teams will be determined at the WSC, in the S&B breakout Committee. and again throughout the year as needed. The teams will be determined on a voluntary basis of who is interested in addressing which referrals.
- 4) Using a large portion of the time allotted for the breakout committee, the teams will address the referrals, with the mindful intent of adding clarity and simplicity to the WSM, while attending to the concerns of the author.
- 5) While in the breakdown teams, each team should craft a response to be presented to the S&B Committee, either through creating a motion, or by explaining why there is no action taken or passed on to a different committee
- 6) If a team so happens to complete the addressment of their given referrals before the breakout session is over, they should attempt to split up & help the remaining teams in their task.
- 7) Once all referrals have been addressed by breakdown teams, the S&B chair or vice chair will facilitate a review by the entire S&B Committee. This effort is for the S&B Committee as a whole to have substantial unanimity in the responses presented to the Conference Floor. If substantial unanimity is not reached in the S&B Committee, we may decide to hold the referral(s) in committee, to be revisited throughout the year.

- 8) After passing on the conference floor, the S&B secretary makes the appropriate changes to the WSM and sends out a modified copy (1st draft) of the WSM to the Committee within 35 days from the close of the Conference.
- 9) A 14 day period is allowed for responses from the committee with changes or approval.
- 10) If changes are necessary, the S&B secretary makes the changes within 7 days from the due time of the last notification and sends out a revised copy allowing 14 days for responses from the committee with changes or approvals.
- 11) This process is repeated until no changes are needed.
- 12) If no changes are needed, the WSM is considered to be a final draft copy and is sent to the appropriate Trustee for approval.
- 13) After Trustee approval the draft is now considered finalized.
- 14) A copy is sent to the World Service Office for distribution to the fellowship.
- 15) Referrals that are held in committee shall be distributed to the Committee, in electronic form, 35 days after the close of the Conference.
- 16) Referrals received post conference shall be distributed to the Committee, in electronic form, 30 days from the date the chair receives them from the Conference Committee.
- 17) The Structure and Bylaws Committee will meet via conference calls and online throughout the year.
