HOSPITALS & INSTITUTIONS

Would you like to carry the message to addicts in hospitals and institutions?

Write Lines is a publication produced and written by Cocaine Anonymous members. The aim is to get the message of recovery to still suffering addicts in hospitals, prisons and institutions who are unable to attend C.A. meetings.

The CAUK H&I Committee need your input.

We need personal stories, your experience of the Steps, Traditions, recovery, meetings, Sponsorship, God etc.

We would also be grateful to receive cartoons, jokes or poems.
